DEPARTMENT : BCA

COLLEGE/UNIVERSITY : Tagore College Of Arts & Science , Chrompet,
Chennai University of Madras

PROJECT TITLE :

Dhanaraj's Portfolio

AGENDA

1. Problem Statement
2. Project Overview
3. End Users
4. Tools and Technologies
5. Portfolio design and Layout
6. Features and Functionality
7. Results and Screenshots
8. Conclusion
9. Github Link

PROBLEM STATEMENT

In today's competitive world, individuals need a professional online presence to showcase their skills, projects, and contact information. Traditional resumes have Limitations, and there is a growing demand for a digital portfolio that is easily accessible, visually appealing, and user-friendly.

PROJECT OVERVIEW

This project is a personal portfolio website designed to highlight skills, projects, and contact details. The portfolio serves as a professional online identity where visitors can learn about the individual, view past work, and connect easily through the integrated contact form.

WHO ARE THE END USERS?

Job Recruiters - to evaluate the candidate's skills and projects.

Clients/Employers - to view work samples and establish professional connections.

Peers/Students - to get inspiration and references for Learning.

Personal Network - for friends, family, and contacts to connect.

TOOLS AND TECHNIQUES

Frontend: HTML5, CSS3, Bootstrap, JavaScript

Icons: Font Awesome / Bootstrap Icons

Deployment: GitHub Pages / Netlify

Editor Used: VS Code

POTFOLIO DESIGN AND LAYOUT

Header Section: Name, profession, and navigation menu.

About Section: A brief introduction and career summary.

Projects Section: Showcasing work with descriptions and Links.

Contact Section: Email, phone, address, and a working contact form.

Footer: Copyright details and social media Links.

FEATURES AND FUNCTIONALITY

- **Responsive Design** – works smoothly on desktop, tablet, and mobile.

- **Contact Form** – allows users to send messages directly.

- **Clickable Links** – email, phone, and LinkedIn for direct communication.

- **Clean Layout** – easy-to-read, minimal, and professional UI.

- **Social Media Integration** – LinkedIn link added.

RESULTS AND SCREENSHOTS

- **Home Page** – Displays name, introduction, and navigation.

- **Contact Page** – Email, phone, address, and form (as shown in screenshots).

- **Responsive View** – Adjusts to different screen sizes.

About Me

I am dhanaraj P, and I am currently pursuing a Bachelor's degree in Computer Applications (BCA). I am in my second year at Tagore College of Arts and Science, where I am building a strong foundation in programming and technology. I have a keen interest in learning new to and concepts that can help me grow in the IT field. My academic journey has taught me problem-solving skills and a passion for innovation. I enjoy working on projects that challeng my creativity and technical knowledge. My goal is to become a skilled professional who can contribute meaningfully to the tech industry.
